Sir,

In para 22 of the introductory notes, part IV, on village accounts, published in page 64 of the Survey Manual, it is laid down that Form No 1 Register of lands or "Khetwar Patrak" should be prepared in duplicate, one copy remaining with the Shanbogue and the other in the Taluk Cutcherry. This is essentially necessary as the form referred to is the basis for effectually checking the village accounts and for disposing of Durkhasts without constant reference to the village authorities

and the consequent delay.

2. I however regret to notice that in no Taluk of the District, the above instructions have as yet been attended to. I have issued the necessary orders to the Amildars to have the omissions supplied.

3. As the form in question is prepared only once in about 10 years and is a document of constant reference, it is, I think, necessary that it should be prepared on thick foolscap paper to render it fit to stand the wear and tear.

4. The quantity of paper required for the purpose for the whole District may be roughly estimated at 180 reams, the cost of which approximately aggregating Rs 1300 at the rate of Rs 7 per ream.

5. There is no special budget provision for meeting this expense and no indent can possibly be made upon the District and Taluk Contingent allotments, as they have already been curtailed, and have to be utilized with great economy to meet the ordinary local requirements.

6. I beg to request sanction for the expenditure and to suggest that the charge may be met from the General Savings of the current year's budget.

I have the honor to be,

Sir,

Your most obdt. servant,

J. Cleveland Saunders Esq

Sir,

I have the honor, in reply to the query contained in Chief Commissioner's Proceedings No. 2644 Rev. 489 of the 3rd Instant, on the subject of an application from the Deputy Commissioner Kadur District, for Rupees 1,300 to cover expenses of preparing second copy of village account Form No. I, to observe that it is not stated whether the sum

in question is intended to apply to the whole District or to a portion of it. The following information will however serve to convey some idea of the propriety of the claim made as well as of the estimate of expenses.

2 Village Account Form No. I is first prepared in the Taluk and the Shanbog should take a copy. In this view of the case no special expenditure appears justifiable.

3 Presuming however the expenditure to be necessary, 1 ream of paper is sufficient for 1,900 Survey Numbers. The Taluk of Chikmagalur is a very large one containing about 28,000 Survey Numbers, and 15 reams would amply suffice. Paper at 4 Rs. per ream is good enough for all purposes. This would give Rupees 60 for the expenses for a duplicate of village account Form No. I, for an unusually large Taluk.

4 Rupees 360 would in my opinion cover the expenses for the Form in question for the whole District.

5 The Shanbogs should not in my opinion be called on to bear the expense of both copies.
